

cFS Usage and Impact At NASA

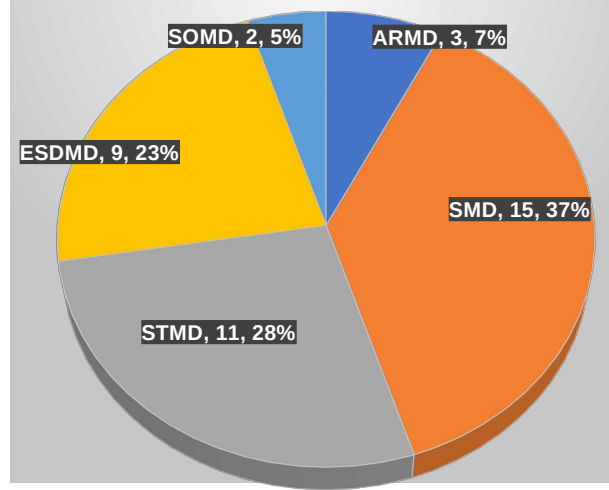

cFS named by ISwSIS (and approved by HEO directorate) as the standard FSW framework

CFS Applications At NASA Centers

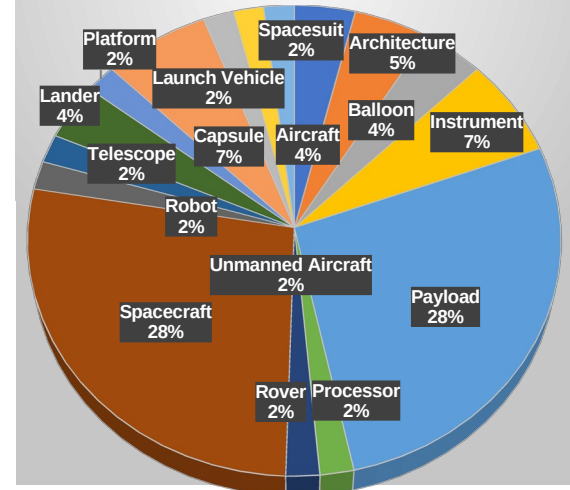

cFS is used at 6 NASA Centers!

CFS Applications Across Mission Directorates

cFS is across mission directorates and on 40+ projects historically including RST, CCRS, MAV, LRO, Gateway, Artemis, and many more!

cFS Applications Segments

cFS is on embedded systems that span the space ecosystem.

cFS has become the dominant FSW framework at NASA and is likely the most used FSW system in the world
